This warranty is exclusive and in lieu of all other warranties and remedies whatsoever, including but not limited to implied warranties. Hassoc Medical, Inc. Shall have no liability whatsoever for damages caused by transportation, accidents, fire, unauthorized alteration, or abnormal wear or abuse, nor shall Hassoc Medical, Inc. have any liability whatsoever for any incidental or consequential damages. This includes without limitation, lost profits or as such damages arising from the design, manufacture, sale, delivery, installation, repair, operation or use of any products of Hassoc Medical, Inc. or an any actual/alleged failure or defect in products of Hassoc Medical, Inc.

****Please Read Carefully For All Chair Styles That Use A Foot Ring**

Please note for all chairs or stool models that use a foot ring; the foot ring is not to be used as a step to facilitate the lifting of an individual up and into the chair. The sole purpose of the foot ring is the resting of feet only! All models that have a height range 25" to 35" require strict adherence to the 250lb. weight limit of the product, especially during full extension of gas lift. Failure to adhere to the above design specifications could lead to an accident, of which Hassoc Medical, Inc. will not be liable.
